Dear Sir/Madam,

Warm Greetings from Accounting for Capital Market Development (ACMD), University of Dhaka.

We cordially invite you to a seminar on “Non-fundamentals and Stock Market: New Evidence.” We are very pleased to inform you that Dr. Muhammad Moshfique Uddin of Leeds University Business School will be the speaker in the seminar. Dr. Uddin will discuss how non-fundamentals such as political developments and other macroeconomic variables influence stock market performances. The event will be held at 11:00-12:00, Friday, August 14 2015, in the Meeting Room of the Faculty of Business Studies.

The seminar will attract policy makers, financial journalists, corporate executives, researchers and faculty members who are pursuing research on capital market or planning a profession in the financial sector.

We look forward to your kind participation in this important research event. For registration purpose, please contact Ms. Samira Siddika at 01670-051862 or write her at samira_fin@yahoo.com.
